Skip/JohnC/SusanS: I was cleaning out old messages and spotted this one. My apologies for not replying. Has the meeting been rescheduled in March? If not, Thursdays look good to me--probably better for folks in the AM as the PM has team building exercises with large black spheres :+). JoeS

Traveling quite a bit in March, so not many open dates for me. How about 3/13 or 3/14 in the afternoon...?

Hi All,

I would like to postpone the DSHP meeting that is scheduled for tomorrow because of the current Dimick sample work load. I would like to schedule it for some time next month, so please send me a list of dates that would work the best for your schedules and I'll arrange the date and time that works the best. Also If you haven't done so yet please send your comments on the DSHP to Susan so that she can consolidate them for the meeting discussion. Thanks.
